

Licensed Automotive Service Technician

We are a busy, locally-owned shop known for quality work and honest service. Our team takes pride in what we do, whether it's basic maintenance or advanced diagnostics. Due to high customer demand, we're looking to add a **Licensed Automotive Service Technician** to join our team.

Job Overview:

We're looking for a dependable, skilled **Licensed Automotive Service Technician (310S)** to join our team. You'll be responsible for diagnosing, repairing, and maintaining a wide range of vehicles with a focus on quality, safety, and customer satisfaction.

Key Responsibilities:

- Perform diagnostics, repairs, and maintenance on both domestic and import vehicles
- Conduct safety inspections and advise on necessary repairs
- Communicate effectively with service advisors about repair timelines
- Maintain an organized and clean work environment
- Stay current with automotive technologies and best practices
- Ensure all work complies with industry safety standards and shop protocols

Qualifications:

- **Valid 310S Automotive Service Technician license**
- Minimum of three (3) years of hands-on experience in a professional shop setting
- Strong knowledge of diagnostics, electrical, and mechanical systems
- Ability to work independently as well as in a team, and manage time efficiently
- Valid driver's license with a clean abstract
- Positive attitude and strong work ethic

What We Offer:

- Competitive hourly wage based on experience
- Paid holidays and vacation
- Monday–Friday schedule (no weekends!)
- Uniforms and safety equipment provided
- A respectful, supportive team environment where your work is valued
